

Strong Learning[®] PHONICS ASSESSMENT Student Form

SL-PA

Student _____ Examiner _____ Date _____

PURPOSE To identify the letters and phonemes the student needs to learn and to recommend appropriate resources. Look for ☞ in the Examiner box on each level for suggestions.

DIRECTIONS 1) Place the student form in front of the student. 2) Begin assessing at an appropriate level for that student. 3) Follow the instructions in the Examiner Box. Proceed in sequential order saying aloud the words within quotation marks. 4) Stop administering when the student misses TWO ITEMS on any level. 5) Provide the student(s) with the resource(s) after ☞ in the Examiner box on that level available at "Strong Learning" or StrongLearning.com. For example, if a student first misses two items on step 12, the teacher provides the student(s) with one or more *VCE Vowel Consonant-E* resources.

Visit "Strong Learning" or StrongLearning.com to see all of our research-based resources, including others available for each level.
