# Tiger Tuesday & Me FunBook

Grade K

Linda Silbert, Ph.D. & Alvin J. Silbert, Ed.D.

# My Favorite Exercises

Put a circle around each exercise you can do.  
Then color in the ones you like to do.

Running

Skate boarding

Sit-ups

Skipping rope

Toe-touches

Tumbling

# Tiger Tuesday Goes Fishing

*Tiger wants to catch a big fish.*

Tiger asked Thurman and Marshmallow to go fishing with him. He wanted to catch a big fish. He got his fishing rod.

Thurman said, "Woof! Woof! Woof!"

Marshmallow said, "Ribbit, ribbit, ribbit."

Tommy saw Tiger, Thurman, and Marshmallow. He asked, "Can I go fishing too?"

"Yes," said Tiger. "Put on a hat because it's hot in the sun."

Tommy said, "I'll get my fishing rod and put on a hat."

Tammy saw Tiger, Tommy, Thurman, and Marshmallow.

"Can I go fishing too?" she asked.

"Yes," said Tiger. "Get your fishing rod, and put on a hat, because it's hot in the sun."

Tammy didn't have a fishing rod, but she had a fishing net.

"A fishing net is good," said Tiger.

Tammy got the fishing net and a big yellow hat

because it's hot in the sun.

Tiger said, "I want to get a big fish. If I don't get a big fish, I'll be mad as a wet hen."

Tommy said, "I want to get a big fish too. If I don't get a big fish, I'll be mad as a wet pen."

"Not a wet PEN! A wet HEN!" said Tiger.

"If I don't get a little fish, I'll be mad as a wet pen too," said Tammy.

Tiger said, "Not a wet PEN. A wet HEN!"

Tiger got a big fish. Tommy got a big fish. Tammy got a little fish.

And Thurman and Marshmallow got as wet as two wet hens!

THE END

# Tiger Tuesday's Hand Fan

*Tiger is hot and wants a hand fan.*

"I'm hot," said Tiger. "I wish I had a fan. It's good to have a fan when it's hot."

"Woof! Woof! Woof!" said Thurman.

Marshmallow said, "Ribbit, ribbit, ribbit."

Tiger went and got a hand fan.

Tommy saw Tiger with the hand fan.

"What's that?"

"It's a hand fan. I was hot. Now I'm not hot because I have a hand fan."

"I want a sand can. Then I won't be hot," said Tommy.

"Nooooo!" said Tiger. "I have a HAND fan, not a SAND can. Look, it's a hand fan."

Tommy met Tammy. "Look at Tiger. Tiger has a sand can."

"Tiger has a sand pan? What's a sand pan?" asked Tammy.

"Nooooo! I said a sand CAN, not a sand PAN!" said Tommy.

Tammy met Trudy. "Tiger has a sand pan," said Tammy.

“Tiger has a sand man? What’s a sand man?” asked Trudy.

“Nooooo! I said a sand PAN!” said Tammy.

Trudy met Tuffy. “Tiger has a sand man,” said Trudy.

“Tiger has a sandwich?” asked Tuffy.

“Nooooo! I said Tiger has a sand MAN!” said Trudy.

Tuffy saw Tiger. He asked Tiger if he could have a sandwich too.

“I don’t have a sandwich. I don’t have a sand can. I don’t have a sand pan. I don’t have a sand man. And I don’t have a sandwich. I have a HAND FAN!!!” yelled Tiger.

“It’s good to have a hand fan when you’re hot,” said Tuffy.

“That’s what I said. It’s good to have a hand fan when you’re hot,”

## How to Make a Hand Fan

### Directions

1. Print the grid from the next page on a sheet of paper.
2. Fold the paper back and forth as shown to make a fan.
3. If you’d like, unfold your fan and color it in.
4. Refold your fan and enjoy fanning yourself.
